Frank:

Attached is the list of questions which [redacted] prepared for Dr. Wheelon during his visit there recently. As I mentioned to you on the telephone, Dr. Wheelon stated that since these questions were quite specific he would prefer to direct them to the individual specialists back at Hqs and would forward their replies. He also mentioned to [redacted] that he would make available some DD/S&T officers if they were in the European area to go to [redacted] and discuss these subjects personally with [redacted] people. He left this latter option up to [redacted] to (over)
